Friday 21 Jun 24 Dep : 10:30 Arr : 11:45	Wilderness Air Namibia WS flying circuit (seat rates) Normal SeatRate Route to be flown: Hosea Kutako International Airport - Doro Nawas Airstrip On arrival at Hosea Kutako International Airport and after clearing customs & immigration, you will be met and assisted by a Wilderness representative to your circuit light aircraft transfer to Doro Nawas Airstrip . As you know, our Namibian flying circuit has published times and routings. This was done to operate efficiently and cost effectively, in a country that has vast flying distances. Understandably, adhering to the schedule was easier when we were carrying higher loads. In the current climate, we still do not have those same occupancies plus limited resources, so to continue operating efficiently we need to be more flexible. This may mean slightly different departure and arrival times, and flying direct where previously we may have gone via another stop on the route. Please therefore allow for some adjustments in Wilderness Air Namibia timings and scheduling, bearing in mind that regional and international connections will still be taken into account. Although they will not necessarily match our published times and routes, rest assured that all movements will take both the guests convenience and arrangements into account. If there is a particular concern/need for very specific timing, please contact Wilderness Air Ops. Exact time to be closer to time. The norm is that all flights follow the published circuit, via various points such as Swakopmund, Damaraland, Doro Nawas or Ongava for purposes of pick-ups, drop-offs and refuelling. On the rare occasion that this is not required, then the flights will operate directly. Note that there are stops en-route which may require changing aircraft. The number of passengers carried on each leg of our circuit flights is dependent on aircraft used, time of year, passenger and luggage weights, routing, fuel required, etc. Pickup details :21 Jun 2024 10:30 Hosea Kutako International Airport Drop-off details :21 Jun 2024 11:45 Doro Nawas Airstrip Includes: Hosea Kutako International Airport to Doro Nawas Airstrip Depart :10:30 - 1 X 2 X Dom Dep Tax Status: Draft	2 PP NAD Sharing	8,769.00
